PROFESSIONAL PROFILE

Data Warehouse Architect

I design and work on Data Warehouses with datasets ranging from hundreds of millions to billions of rows.

ATRADIUS: Surety division consolidated across 4 European countries, 60,000+ lines of PL/SQL ETL, full daily ingestion completed in under 2 hours. TIM/Huawei: 30+ critical Oracle databases on Exadata clusters, 70+ instances, up to 800 million phone-traffic records per day. Banking + Telepass: integration from 15+ heterogeneous sources, over 2 billion rows per cycle.

Thirty years inside Oracle and PostgreSQL. Kimball, Inmon, Star Schema, Snowflake, SCD Type 2. Sectors: Banking, Telco, Insurance, Public Administration. What I bring: architectures that hold under load and scale with the data as it grows.

TECHNICAL SKILLS

- **DWH Methodologies:** Multidimensional modeling Kimball and Inmon · Star Schema · Snowflake · Slowly Changing Dimensions (SCD Type 1/2/3) · Bus Matrix design.
 - **Oracle Stack:** Oracle Database 8i → 21c · Exadata · RAC · Data Guard · Autonomous Database (ADB) · Oracle Cloud Infrastructure (OCI) · Performance Tuning (AWR, ADDM, SQL Tuning Advisor) · ASM · RMAN · TDE.
 - **PostgreSQL:** PostgreSQL 14+ · Query Optimization · Table Partitioning · Logical Replication · VACUUM/Autovacuum tuning · pg_stat_statements · PgBouncer.
 - **ETL/ELT and BI:** PL/SQL-based ETL pipelines · Oracle Data Integrator (ODI) · Oracle Warehouse Builder (OWB, legacy) · Oracle Analytics Cloud (OAC) for semantic model, reports and dashboards.
 - **Languages, OS and cross-functional:** Advanced SQL and PL/SQL · Unix Shell Scripting · Linux (RHEL, CentOS, Oracle Linux), Unix, Windows Server · Project Management (Agile/Scrum) · team leadership 3-7 people · technical training.
-

WORK EXPERIENCE

2022 – 2026 · ATRADIUS — Italy, Spain, France, Northern Europe (Surety division)

DWH Architect (via IDEA DB CONSULTING S.R.L.) — 4 years

Surety division Data Warehouse consolidated across 4 European countries (Italy, Spain, France, Northern Europe), with full dimensional model. 60,000+ lines of PL/SQL ETL coordinated end-to-end; full daily ingestion completed in under 2 hours.

2021 – Present · IDEA DB CONSULTING S.R.L. — Rome, Italy (Full Remote Europe)

Data Warehouse Architect | Oracle & PostgreSQL Expert | Sole Director

- **DWH Architect** (for FAI SERVICE) — 2 years. Snowflake Schema on Oracle Analytics Cloud with ETL on Oracle 19c in OCI, supporting dashboards for billing, customer segmentation and cost/revenue tracking.
- **DWH Design and Architecture** (Banking, Telepass and other clients) — 1 year. Kimball/Inmon DWH architectures for Banking and Telepass: 15+ heterogeneous sources integrated, datasets over 2 billion rows per cycle, batches brought from 4 hours to under 30 minutes.
- **Cross-project activities.** Tuning of complex SQL queries and Oracle DB optimization on OCI/Autonomous; technical training and mentoring on DWH best practices and Oracle/PostgreSQL.

2020 – 2022 · NIMIS CONSULTING S.R.L. — Rome, Italy (Full Remote)

Oracle DBA | DWH Architect | Oracle Performance & Tuning Expert (for TIM / HUAWAI) — 2 years

Telco DWH architecture on 30+ critical Oracle databases (70+ instances on Exadata clusters) supporting 20+ million prepaid mobile subscribers. Fact tables ingesting up to 800 million phone-traffic records per day, advanced partitioning and compression for <500ms SLA on critical queries.

2020 – 2022 · IDEA DB CONSULTING S.R.L. — Rome, Italy (Full Remote)

PL/SQL Expert | Oracle DBA & Tuning Expert (for FINWAVE S.p.A.) — 2 years

Advanced PL/SQL development and Oracle query tuning for financial applications with millions of daily transactions.

2013 – 2020 · FREELANCE / INDEPENDENT CONSULTANT — Rome, Italy (Full Remote Europe)

Oracle DBA | Oracle Performance & Tuning Expert | DWH Architect (Consulting companies and Direct clients) — 7 years

Data Warehouses for Banking, Insurance and Telco clients on Oracle and PostgreSQL platforms, with Kimball/Inmon modeling. ETL/ELT pipelines handling 500M+ rows per load cycle; multicultural teams of 3-7 people coordinated with an Agile approach.

2009 – 2013 · AUSELDA AED GROUP S.P.A. — Rome, Italy

Data Warehouse Architect | Performance & Tuning Expert | Oracle Project DBA (for Public Administration) — 4 years

DWH architecture (Kimball/Inmon) for Public Administration entities, with specialization in Oracle Warehouse Builder (OWB) and complex SQL query optimization.

1999 – 2009 · ORACLE ITALIA S.R.L. — Various Locations, Italy & Madrid, Spain

Data Warehouse Architect | Oracle DBA | DWH Designer | SQL & PL/SQL Developer | Training Specialist — 10 years

Data Warehouse architecture and development for major clients in Telco (TIM, Vodafone, TRE), Finance (Banca d'Italia, Generali, RAS) and Pharmaceutical (Menarini), with Kimball/Inmon modeling and ETL on Oracle Warehouse Builder. About 1 year of international experience in Madrid at Vodafone Spain. Training Specialist on Oracle technical courses: SQL, PL/SQL, DBA and Performance Tuning (2000-2001).

1997 – 1999 · S.EL.DAT. S.P.A. — Rome, Italy

Software Developer (for Telecom, Rover Italia) — 2 years

Client-server application development for Telecom and Rover Italia, with first experiences as Junior Oracle DBA and database monitoring — the starting point of the Oracle journey.

EDUCATION AND TRAINING

- **Faculty of Computer Engineering (Software Engineering)** — University of Rome Tre, Rome · 1994 – 2000
- **Scientific High School Diploma** (EQF Level 4) — Liceo Scientifico Isacco Newton / Manieri Copernico, Rome · 1988 – 1993
- **Advanced English (C1/C2)** — The British Council (Level 4A), Rome · 2003 – 2004

Selected Training and Continuing Education: Project Management & Scrum Agile — Randstad/Forma.temp (May 2024) · Data Wrangling, Analysis and AB Testing with SQL — Coursera, UC Davis (April 2021) · Data Science on GCP: Designing Data Warehouses — LinkedIn Learning (September 2020) · Oracle 12c specialization (Administration, Security, Backup & Recovery, Advanced SQL, Performance Optimization) — LinkedIn Learning (2020) · MySQL Installation and Configuration + Learning Git and GitHub — LinkedIn Learning (August 2020).

LANGUAGES

Italian — Native · **English** — C1/C2 (Fluent, professional) · **Spanish** — C1 (Fluent) · **Romanian** — C1 (Fluent) · **French** — A1/A2 (Basic)

SOFT SKILLS

Analytical and creative problem solving · collaboration in international and fully remote contexts · project management (Agile/Scrum, requirements definition, prioritization, Gantt charts, ERD) · technical leadership of 3-7 people teams · technical mentoring · stakeholder engagement.

Location: Rome, Italy
